Further Learnings

These are a few websites with great ideas. In the near future, I will be updating this page.

<http://www.strobist.blogspot.com/> The best site on the web for learning strobe

<http://www.willyurman.com/pixelpost/> A photojournalist who adds a picture a day to this site

<http://www.earth13.com/> For really creative photography by Las Vegas Wedding photog Alt

<http://www.michaelbass.blogspot.com/> For getting your strobes hooked up right

<http://www.pebblehaven.com/> My web hosting & design company
